

Lunenburg Conservation Commission
Ritter Memorial Building
February 17, 2010
Minutes

JJ Cote, Ken Jones, Jack Byrne, John Lattanzi, Matt Marro, Jan Carrier

7:30 PM ~ Mark D Murphy, PE ~ Registered Engineer in MA. Worked for Ducharme & Dillis in Bolton. Now works at Raytheon on a large federal contract developing airport radar facilities.

Highly recommended by Greg

7:45 PM ~ Karen Lefebvre ~ Wetland Scientist. 12+ years experience delineating wetlands, some lines as long as 2 miles, peer reviewed and accepted. Some computer skills including MA GIS and GPS.

8:00 PM ~ Sharon Jordan ~ Personal interest ~ Has met with Rob and gone on some trails. Interested in an associate member position.

I recommend Sharon because of her commitment to conservation and open space.

MATT ~ Disclosure

Interviewed Mark at 7:35 PM, Interviewed Sharon and Karen at 7:55 PM. All interviewed extremely well with different qualifications. Commission members decided to place all of them on as Associate Members for a few weeks and then see who would like to dedicate their "life" to conservation. They will be required to attend hearings and are more than welcome to participate but will not be able to vote.

Matt is doing some work for Gary Lorden in Templeton. The disclosure forms state as such and the commission did not seem to think this will be any detriment to Matt's service in town. A motion was made by Jack and seconded by Ken. Unanimous
